This matter came before the Court on April 20, 2004 for a scheduling conference. By agreement of the parties, the Court established the following trial calendar:

Discovery cutoff	December 31, 2004
Identification of Plaintiffs' experts	June 1, 2004
Production of Plaintiffs' experts' reports	July 1, 2004
Identification of Defendants' experts	August 1, 2004
Production of Defendants' experts' reports	September 1, 2004
Witness identification, including name, contact information, and synopsis of expected testimony	November 30, 2004
Dispositive motions deadline	January 31, 2005
Final Pretrial Conference	April 29, 2005, 1:30 p.m.
Trial	May 16, 2005, 1:30 p.m.

During the conference, Plaintiffs' counsel agreed to structure discovery so as to minimize the burden to Defendants Smart Paper and International Paper Company, but at the same time allow the Union Defendants to take the discovery they need. This will be accomplished by Plaintiffs concentrating their initial discovery efforts on Smart Paper and International Paper's liability and agreeing to allow Smart Paper and International Paper to reopen at a later time any deposition taken initially by the Unions.
